Dear Parents/Carers

Change of Inset Day

Due to unavoidable circumstances we have had to change one of our Inset Days from Friday 14th February to **Friday 4th October**. This is at the request of the Nova Trust, due to the provider having to change the date of the training we are booked on. This will affect all the Primary schools in the Trust.

If anyone has booked any holidays for Friday 14th February these will be honoured.

I understand that the short notice of this change is extremely inconvenient and sincerely apologise for the short notice.

Yours sincerely

Linda Barbuti
Head of School.
