

### Mr Heath

Mr Heath will be leaving us on Wednesday 24<sup>th</sup> January to start a new job.

We will be very sad to say goodbye and wish him all the best for the future.

Beech – 87.6%

**School Target 97%.**

**Good Attendance 95% and above.  
Persistent Absenteeism below 90%.**

### Special Celebration Assembly Achievers

Congratulations to the following children who were our celebration assembly achievers last week.

<b>Oak Class</b>	Evan - for a positive attitude to his writing Jasmine - for using lots of adjectives in her writing
<b>Sycamore Class</b>	Hugo - for recognizing greater and less than in his Maths work Ainslee - for approaching his writing with a positive attitude
<b>Beech Class</b>	Jamie – for always working so hard to tidy during tidy up time and looking after our class belongings so well. The Whole of Beech Class – for their excellent monster descriptions
<b>Cedar Class</b>	Amelia – for showing good listening and answering more questions on the carpet Oliver – for presenting his work beautifully in his books
<b>Maple Class</b>	Nathan – for using his phonics to read Sam – for taking such pride in his work
<b>Willow Class</b>	Kaitlyn - for learning her letters and sounds Alannah – for increased enthusiasm and participation with all her learning

### General News

\* Over Christmas Year 1 and 2 have been busy with projects for their new topics. Year 1 had the task of creating a treasure island as part of their Pirate topic. There have been maps, models and drawings. Year 2 were presenting information about animals from Polar Regions as part of their 'Frozen Planet' topic. They have created posters, Power Points and have been very inventive with how they have displayed their work. It has been great to see children accessing the homework in such a variety of different ways and we would like to say thank you to all the parents for getting involved. The projects are displayed in the corridors and classrooms and look wonderful, so feel free to come in and have a look.

\* This week children will be bringing home songs to learn for their new topics. This is to promote language development and extend their vocabulary. Please encourage your child to practise at home and we will practise in school too.

Y2 :Royal penguins song

Yr 1 : Pirate hip song

F2 Poor little baby bear

\* On Monday the Eco Warriors went to visit Sainsbury's with Mrs Lowings and Mrs Eadie to recycle all the Christmas cards

\* We were pleased to find that all parents/carers who attended either the Maths and/or Reading Workshop in November found them very useful and informative. We will also take into consideration the timing of future events as most (who completed the questionnaire) would prefer these workshops to take place straight after school or later in the evening.

### Reading Rainbows

Congratulations from Miss Justice to the Rainbow Reading Award achievers last week.  
Rowan, Amelie, Adam, Lily, Archie, Ebony,  
Esme C, Oliver, Harry and Amelia.  
Thank you children for your fantastic attitude and effort to improve your reading, keep it up!

### Friends Meeting

Friends of School are meeting tonight, 8pm upstairs at the Horse and Plough.  
Everyone is welcome, no commitment just a chance to share plans and ideas.

### School Meal Change

Don't forget the menu change this week. It's everyone's favourite – Nottinghamshire Sausages – and Butterscotch Tart for dessert.
