

Merry Christmas To You

1 Christmas time is coming quickly,
Everybody getting ready,
Very busy, not much time to spare.
Nervous with anticipation,
Making all the preparations,
Feeling the excitement in the air.

2 Getting out the decorations,
Feeling all the expectation,
Putting up the angel on the tree.
Now we're getting really jolly,
Hanging mistletoe and holly,
Twinkling lights outside for all to see.

CHORUS *It's the best time of the year on the way
And we just can't wait to wake up on that day,
And at last we'll all be able to say
'Merry Christmas to you and a Happy New Year'.*

3 Choosing gifts for all the family,
(Mind you don't forget the batteries!)
Thinking of how happy they will be.
Writing cards and wrapping presents,
Buying Dad a Christmas sweater,
Pile them all up underneath the tree.

CHORUS

4 Mixing up the Christmas pudding,
Thawing turkey, making stuffing,
Hoping that my favourite food is bought.
Peeling, chopping, roasting, baking,
Such delicious food we're making,
Look, my mouth is watering at the thought!

LAST CHORUS

*It's the best time of the year on the way
And we just can't wait to wake up on that day,
And at last we'll all be able to say
'Merry Christmas to you, Merry Christmas to you,
Merry Christmas to you and a Happy New Year.'*
