

Nelson Mandela

This is Nelson Mandela and he was born in south Africa and when he was younger He lived in three huts one for cooking, one for sleeping, one for Sorich He is significant because he became the first black president in 1994 and he got arrested for protesting for his rights so he Kept on trighing and he done it. Nily everyone voted for him and he was so happy so he tried his best to do wat ever he could and he got rid of apartheid. He died in 2013 when he was 95 years old.
