

## Purple Mash – Festive Card Competition

\*\*\*Competition deadline – Monday 23<sup>rd</sup> November\*\*\*

Dear Parents/Carers,

Purple Mash are running an online festive card competition for children to enter. If your child would like to take part, they will need to design a festive card using 2Paint a Picture and enter it into the correct age group (Under 5s /Under 8s). They will need their individual username and password. Year 1 and 2 children will already be familiar with Purple Mash and can use the same log-in details as last year, which will soon be added into reading diaries. For Reception children, we will stick your child's new log-in details in their reading diaries. For new parents, please follow this link if you would like more information about Purple Mash and how you can use it: <https://2simple.com/purple-mash/purple-mash-parents/>.

Here's how to enter:

- Use this link: <https://www.purplemash.com/sch/Bingham> to access the school's log-in page and enter your child's 'Username' and 'Password'. On the home page, click on the link to the 'Festive Card Competition', which is on the right hand side of the page.
- Click on 2 Paint A Picture (see image 1) and choose the style you would like to use. There is a short video clip with more information about the different styles. This can be found on the main competition page.
- When the picture is finished, save the work by clicking on the purple drop down menu (see image 2) and entering a file name (your child's name) and choosing your child's class folder.
- To send your entry, click on 'Share' (see image 2) and then choose the option shown in image 3, making sure you share it to the correct place. All Reception children can send theirs to 'Under 5', as the competition details clarify that this is for children who are 5 or younger. Year 1 and Year 2 children will need to share their designs to the 'Under 8' category. There is another short video to demonstrate this on the main competition page.
