

School Litter Pick

Friday 14th March 2025

Dear Parents and Carers,

Last year, we went on one of our first litter picks around Bingham which many of the children were very enthusiastic about. Now that the weather is a little better and the nights are starting to become brighter, the school council and I thought it would be a wonderful idea to go on our next outing for another litter pick.

Next week, we will be thinking about **British Spring Clean week** and how it is important to care for our school and environment. We will be thinking about the importance of not littering and what this can do to our world when litter is around.

This has inspired us to think about what we could do to make an impact in the community of Bingham. We will be holding a litter picking event after school on **Thursday 20th March from 3:20pm until 4:15pm** for anyone that would like to join us as a family. We will meet outside the front of the school at **3:20pm**. Please ensure children attend with an adult (who will be responsible for their child the whole time). We have some litter pickers, bags, jackets and gloves that have kindly been donated by the council to support us with this event but please feel free to bring your own equipment too. We would love for as many families to join us as possible to make a small but valuable impact on our town's environment.

Kind regards

Robert Miles Infant School Council and Mrs Attwood
