Dear Parents/Carers,

Purple Mash are running an online festive card competition for children to enter. If your child would like to take part, they will need to design a festive card using 2Paint a Picture and enter it into the correct age group (Under 5s or Under 8s). They will need their individual username and password. Year 1 and 2 children may already be familiar with Purple Mash and can use the same log-in details, which should be in their reading diaries / homework books. For Reception children, we will stick your child's new log-in details in their reading diaries. For new parents, please follow this link if you would like more information about Purple Mash and how you can use it: <https://2simple.com/purple-mash/purple-mash-parents/>.

Here's how to enter:

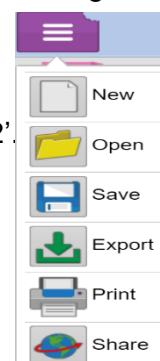

- Use this link: <https://www.purplemash.com/sch/Bingham> to access the school's log-in page and enter your child's 'Username' and 'Password'. On the home page, click on the link to the 'Festive Card Competition', which is on the left-hand side of the page.
- Click on 2 Paint A Picture (see image 1) and choose the style you would like to use. There is a short video clip with more information about the different styles. This can be found by clicking on the 'Picking a Style' icon to the left of image 1.
- When the picture is finished, save the work by clicking on the purple drop down menu (image 2). Click 'Save', choose your child's class folder and then click 'Festive Card 2022'. Give your work a file name (**child's name**).
- To send your entry, click on 'Share' from the purple drop-down menu (see image 2) and then choose one of the options shown in image 3. All Reception children can send their entries to 'Under 5', as the competition details clarify that this is for children who are 5 or younger. Year 1 and Year 2 children will need to share their designs to the 'Under 8' category. There is another short video to demonstrate this on the Festive Card page.
