

Phonics / Early Reading Workshop

Friday 12th September 2025

Dear Parents/Carers

We would like to invite you to a meeting focusing on phonics and early reading development. During the meeting, we will share some of the teaching methods that we use, along with an explanation of the key points and terminology that will enable you to know what and how your child is learning and how you can support them at home.

You will be able to choose from a session that is run in school time and a session after school:

Monday 22nd September at 5.15pm or Tuesday 23rd September at 2.30pm

The sessions will be the same and so you do not need to attend both. They will be in Maple classroom and should last for approximately 30-35 minutes. There will be time to answer any questions you may have. Where possible, we would prefer parents / carers to attend alone, so that we can minimise noise and disruption. However, we understand some parents may need to bring their child / younger siblings with them.

Please return the reply slip to school by Friday 19th September, if you are able to attend, indicating which session and how many people will be coming. If you would like to attend a session, but are unable to make either date, please indicate this on the reply slip. Alternatively, you can complete a simple online form, by scanning the barcode.

Yours Sincerely,

Mrs K Ryan
Head Teacher
