## Ofsted Inspection at Robert Miles Junior School – 4<sup>th</sup> & 5<sup>th</sup> February 2025

4<sup>th</sup> March 2025

Dear Parents,

As you are aware, Ofsted visited the school at the start of last month. I am delighted to be able to share with you their report following the visit.

We are very pleased with the outcome of the inspection and the report itself. I know how hard the staff team work each day to do their very best for your children and I am pleased that the inspector recognised so much of this in what she saw.

I also know from regularly walking round the school and dropping into classrooms that the children enjoy their learning and are highly motivated. It was very pleasing for the inspector to see this and to comment so positively about it in her report describing the school environment as 'harmonious and calm.' She was, rightly, extremely complimentary about the children themselves describing them as 'respectful and courteous.'

It was nice to hear from the inspector the many lovely comments shared by parents. A huge thank you to all parents who completed the Parent Survey and to those parents who continue supporting the school so generously with their time.

Best Wishes

James Evelyn
