

Holiday activities and food

Get involved this

Winter

Nottinghamshire 2024

Plus so much more

Are you claiming benefits-related free school meals and looking for holiday clubs?

The HAF programme supports the wellbeing of children aged between 5 to 16 years focussing on physical and mental wellbeing by providing a variety of activities during school holidays. Included in each session is a meal, this may be breakfast or lunch depending on the programme offered.

The aim of the Nottinghamshire Holiday Activities and Food programme is to support children to eat healthily, keep active and meet friends. We also support families to access help and advice when needed.

Eligible children and young people will be able to access up to 24 days holiday activity each year.

The programme offer is wide and varied. Current activities include:

- multisports
- dance
- drama
- craft sessions
- virtual reality
- activity days
- high ropes
- forest school
- cooking with children and families.

Providers are DBS checked and Ofsted registered where required. There are several checks that providers must pass to be a deliverer of the programme, to ensure your child is in the safest of hands.

How to book places on the HAF Nottinghamshire programme

To book places, you will need a unique HAF code, which can be requested here:

or your school may be able to provide it to you.

Once you have your HAF code
