

Dear Mrs Ryba

I am writing this
letter because I want
to protect the world.

I like the compost
bin because I don't
want food.

I think we could have
a bin outside to
put the rubbish in.

Can we get big compost
bins?

from Oliver

Dear Mrs Ryan

I am writing this letter
because I think if you could put
some bins outside and

I like for the school because
it lets bugs have a home and give them
a home.

I think we could have fresh air so
that we could breathe the life

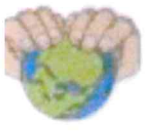

Do you think we should
make the school better?

From Emmie

Dear Mrs Ryan

I am writing this letter because I want to help forest schools and protect the animals as well

I like the compost bins because we weren't wasting as much food or paper.

I think we could do better and pick up plastic so that the world doesn't get dirty. Can you improve the compost bins because they are just kitchen catty's

make them bins.
